COMPANY OVERVIEW

About Us

Established in 1994 by enterprising individuals, Aakirti International operates as an Interior Turnkey Contractor and a Material Stockiest & Supplier. With a strong emphasis on design excellence and unwavering dedication to impeccable craftsmanship, the company has garnered a reputation for being a frontrunner in the interior contracting sector. Aakirti International is renowned for translating ambitious visions into tangible outcomes for some of the most significant projects in Nepal.

OUR PROCESS

Mission

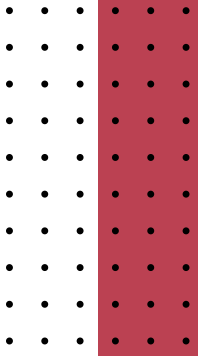

Our mission is dedicated to transforming spaces into inspirational environments that mirror the distinctive personalities and requirements of our clients. By leveraging innovative design, exceptional craftsmanship, and a steadfast dedication to excellence, our goal is to surpass expectations and craft spaces that emanate comfort, functionality, and aesthetic appeal.

Vision

Our vision is to be the premier interior contractor company known for our creativity, professionalism, and dedication to excellence. We aspire to set new standards in the industry, enriching lives by crafting spaces that inspire joy, foster connections, and enhance well-being.

With a focus on sustainable practices and collaborative partnerships, we strive to leave a lasting legacy of exceptional design and client satisfaction.

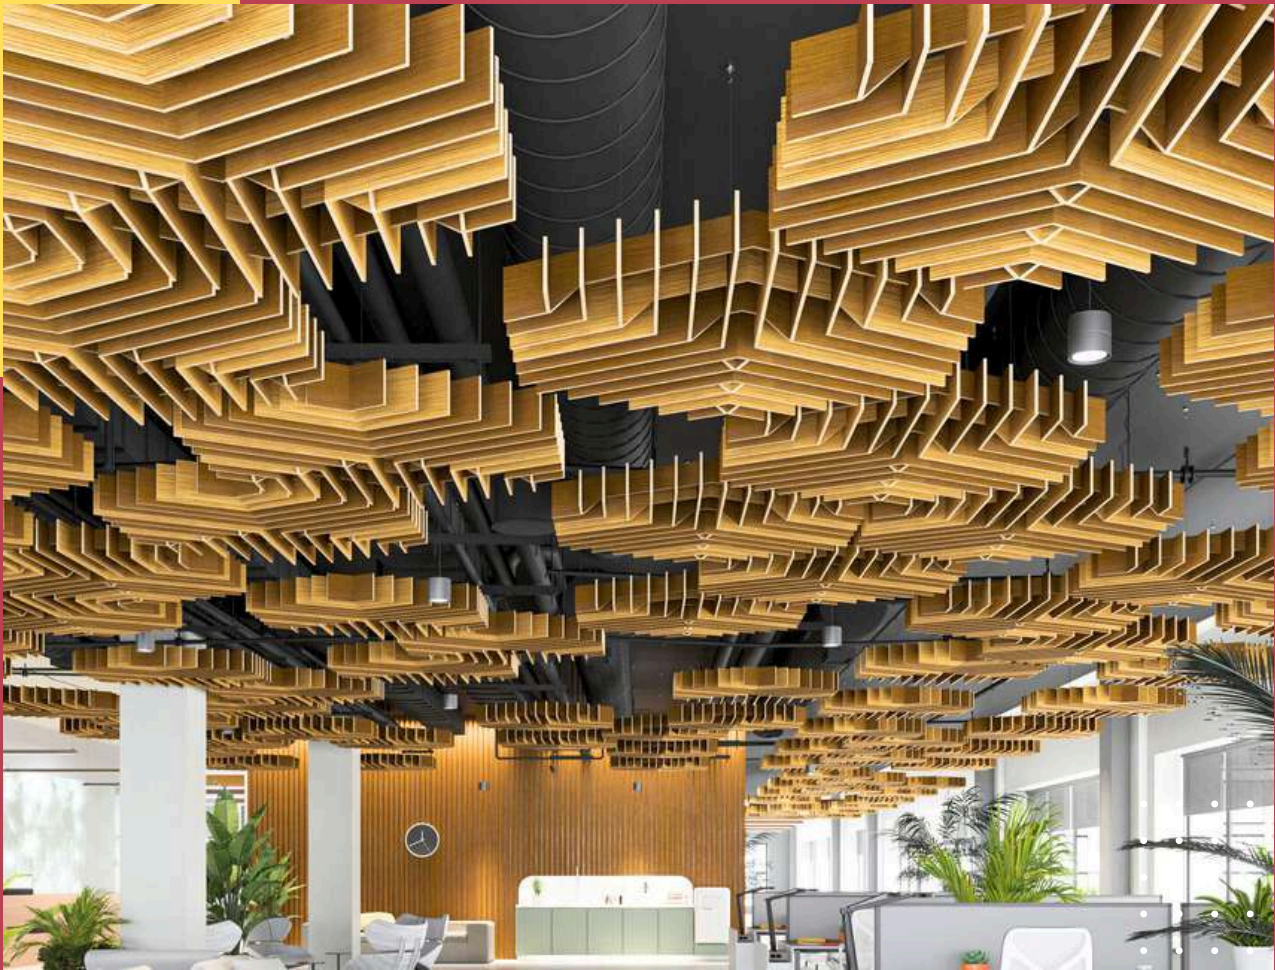

WHAT WE DO

- Concept blending** creativity, functionality, and client preferences for unique spaces.
- Comprehensive **interior design solutions** for modern office spaces, including layout, furniture selection, and design consultation.
- Ensuring **Self-reliance** by producing all materials in-house, reducing dependency on external suppliers and mitigating delays from strikes or disruptions.
- Establishing an **After-Sales Service** department to support clients post-project, ensuring satisfaction and building lasting relationships.
